Passenger Car and Minivan Tires

MICHELIN® DEFENDER®

Offering 90,000 miles¹ of confident driving through exceptional safety, longevity and a quiet, comfortable ride so that you can protect those you care about most.

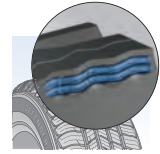

¹ 90,000-mile limited warranty for H-/T-speed rated tires; 80,000-mile limited warranty for V-speed rated tires. See MichelinMan.com for warranty details.

MICHELIN® DEFENDER®

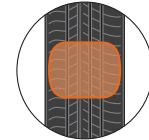

Stops up to 31 Feet Shorter than a Leading Competitor.² Exceptional grip provided by IntelliSipe™ technology maximizes the number of sipes within the tire, which allows you to brake confidently when you need to most for greater peace of mind in stressful driving situations.

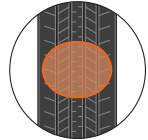

INTELLISIPE™

Lasts up to 21,000 Miles Longer than a Leading Competitor.³ MaxTouch Construction™ combined with the interlocking action of Michelin's breakthrough IntelliSipe™ technology delivers impressively long wear life by providing exceptional tread block rigidity while optimizing the tire's contact with the road during acceleration, braking and cornering.

With MaxTouch Construction™

Without MaxTouch Construction™

Can Save up to \$250 Worth of Fuel @ \$3.50 Per Gallon.⁴ The interlocking action of IntelliSipe™ technology creates a more rigid tread block, which allows for a reduced starting tread depth leading to lower rolling resistance so you can save fuel without sacrificing safety or longevity.

² Based on internal wet braking test results versus Goodyear® Assurance® ComforTred® Touring tire size 185/65R15.

³ Based on commissioned third-party wear test results versus Continental® ProContact™ with EcoPlus Technology tire size 215/60R16.

⁴ Based on fuel efficiency estimates from rolling resistance testing versus the Yokohama® Avid® TRZ 215/60R16 over the MICHELIN® DEFENDER® limited treadwear warranty of 90,000 miles. Actual on-road savings may vary.
